

## Measure the impact of your D&I initiatives with feedback.

### Set up a best in class D&I program with Leadership Alliance & Rhabit.

Continuous feedback with Rhabit is fast, easy, and powerful. Use it to understand current employee perceptions about your company's D&I program, then measure how they change over time. Rhabit ensures the data is objective, consistent across your organization, segmented in meaningful ways, and trended over time..

### Track your transition to a more inclusive culture with Leadership Alliance & Rhabit.

Setup is fast, rollout is easy, and your Leadership Alliance partner will expertly guide you through pre-launch planning and post-launch support.

#### The feedback capture process is easy & lightweight:

- Once a week, employees receive a new 'deck' of feedback cards
- They spend ~60 seconds swiping in their answers
- Their answers are funneled into your Rhabit dashboards & trended over time

#### All we need to get started:

- Your logo file if you'd like a branded experience
- List of employee email addresses
- Date you want to launch
- Your choice of D&I-themed engagement questions. These can be fully customized according to your initiatives, or you can choose from Rhabit's curated library

#### You'll receive:

- White-glove support from Leadership Alliance
- Beautiful, modern data dashboards powered by Power BI
- Advanced reporting features & export functionality
